My dear Sam.

I have written you at Phila  
and wired you at Johnsville and  
seems I cannot locate you. in case  
you receive either I wish you would  
wire me an answer so that I may  
know what to do. will be here untill  
april 1<sup>st</sup> if you want me I will not  
try elsewhere, and if not I would  
like to know, so that I may get out  
and rustle, cant afford to loaf  
around now, am carrying too many  
stocks, have gotten to be quite a  
bloated stock holder, will tell  
you more when I see you, by an  
immediate reply you will oblige  
yours &c
